

**NOTICE OF STUDY COMPLETION – CLASS ENVIRONMENTAL ASSESSMENT
FOR THE BANK STABILIZATION OF THE MADAWASKA RIVER AT
RIVER BEND DRIVE**

The Township of Brudenell, Lyndoch and Raglan is undertaking a Municipal Class Environmental Assessment for the proposed bank stabilization of the Madawaska River at River Bend Drive from the intersection with County Road 515 easterly for ±450m. The project has become a priority for the Township due to the condition, lack of proper drainage and gradation of the roadway. The Township owns the property that will receive the stabilization treatment. The stabilization is to occur at Lot 23, Concession 18, of the geographic Township of Brudenell, Lyndoch and Raglan.

The above noted project is being planned under **Schedule B** of the **Municipal Class Environmental Assessment**. Subject to comments received as a result of this Notice, and the receipt of necessary approvals, the Township of Brudenell, Lyndoch and Raglan intends to proceed with the construction of this project.

If you are interested in receiving further information on this project, please contact the following individuals.

ENGINEER

Jason Ward, Project Manager
Perspective Engineering
