OCCUPATIONS - AN INFORMATION SERIES

Take this opportunity to find out more about different occupations from people in the field. If you are starting out and making decisions about a career or changing your work/career life this session will be useful. Whatever your age, you can learn more about career/work options that are in-demand. You will hear professionals from different fields speak about what is involved in their occupation and what the work options are now and in the future.

The session will begin with a presentation with plenty of time for discussion and questions. Join us! Bring a friend!
