The Township of Brudenell, Lyndoch and Raglan is pleased to announce the completion of the barrier-free washroom at the Brudenell, Lyndoch and Raglan Community Centre. The new accessible washroom will allow all members of the community to participate in programs and activities.

We would like to thank the Ontario Trillium Foundation and the Government of Ontario for their generous contribution of \$ 6,500 towards the project. The Ontario 150 Community Capital Program aims to enhance public spaces by providing funding to support existing community facilities where Ontarians come together to celebrate, create, play, explore, learn and support one another.
