Ontario Renovates With The County of Renfrew

2019 Fact Sheet

Program Overview:

Ontario Renovates is a program that provides financial assistance to homeowners by way of a forgivable loan to repair their home to acceptable standards while improving the energy efficiency and/or increasing accessibility of their unit. The program helps homeowners in substandard dwellings who cannot afford to pay for the necessary repairs to their home. Applicants must currently occupy the home for which the Ontario Renovates Application is submitted and it must be the sole and principal residence of the title holder(s)/applicant(s). Title holder(s)/applicant(s) household income cannot exceed \$85,200, assets cannot exceed \$20,000, and the house value must be \$242,704 or less.

The Ontario Renovates Program is offered as a part of the Investment in Affordable Housing for Ontario (IAH), 2014 Extension Program funded by the Ministry of Municipal Affairs and Housing. Funding is provided in the form of a 10 year, interest free forgivable loan registered on title to homeowners based on the cost of approved work items up to \$10,000. In addition, funding for accessible repairs made to a home and /or unit up to a maximum of \$3,500 do not require repayment provided they are used for the intended purpose. The application must provide verification of need from a healthcare professional.

Loans are repayable if the home is sold, the homeowner/title holder(s) cease to live in the home or funding is used for other purposes. If the cost of the mandatory repairs is more than the maximum forgivable loan available, the homeowner will be required to cover the additional cost. Annual funding is limited and distribution is on a first-come-first-serve basis.

If you have received funding under the Ontario Renovates Program or the Emergency Minor Home Repair Program, you are ineligible for additional funding.
