**Notes:**

1. If there is a difference between the waste containing vehicle/container and one of the descriptions in this table, or if there is a dispute regarding the volume of the vehicle/container in question, the waste volume shall be measured and the cost calculated at \$10 per cubic yard.
2. Those disposing of construction or demolition waste must show proof that the waste originated in BLR Township. Proof can be in the form of a suitable permit issued by the Municipality.
3. If the volume of your glass, plastic and metal recycling is roughly equal to the volume of the garbage in your clear bag, the waste site attendant will give you a free bag tag.
4. Additional bag tags can be purchased at the Municipal Office or at Kauffeldt's Grocery in Quadeville.

## **Waste Wood and Brush**

### **Burn Pile**

- Only clean uncoated wood and brush will be accepted in the burn pile.

### **Landfill**

- Painted or coated wood or wood with nails, screws or other hardware.
- Plywood, particle board or laminated panels.
- Plastics, furniture, leaves/grass and pine needles.
- Large loads will only be accepted at the Brudenell Waste Site

## **Metal and Appliances**

- Scrap metal can be disposed of in a specific area of the waste sites at no cost.
- Appliances such as stoves, washers and dryers will be accepted at no charge.
- Refrigerators and air conditioners may be disposed of in the metal area of the sites, provided the refrigerant has been professionally removed, as indicated by a tag installed by the service person.

### **Tires**

- Tires will be accepted at no cost, provided they have been removed from their rims. If the tires are still on rims, a \$15 per wheel charge will apply.

## **These wastes will not be accepted**

## **Special Opening of the Waste Site**

- The Brudenell waste disposal site can be opened upon request to accommodate large loads when the site would normally be closed. The charge for special opening is \$50.
- If the site must be kept open for more than two hours, each additional hour (or part thereof) will be charged at a rate of \$25.

**Please Note:** Waste site users will be required to present a valid Waste Disposal Access Card. A Waste Disposal Access Card is issued to the registered owner of each residential, commercial and industrial property. Owners of vacant properties, or properties with non-assessed travel trailers, will not receive a card. Landlords are responsible for ensuring their tenants receive a card. The property owner can buy a replacement card at the BLR Municipal Office for a fee of \$10.00.
